After six hours of filming, we think we got it. But unfortunately for us, we had to go, but the girls just kept going. With hardly a nod good-bye, we left and looking back saw them still going at it with Adrianna shoving that big black massive dildo deeper and deeper into Mone's pussy. It was very hard to go when Mone's cumming.

Black Dolls: Promise?
Hell yeah! This is one hot and sexy shorty. She must love to fuck because she sure looks comfortable with a cock in her mouth and in her pussy. I wish I could meet her sometime and show her the kind of man she's missing. And that be me!

– James M.

Then she closed her eyes and started mumbling with the vibrations. Her hips pushed harder into the vibe and she pushed it in deep as she could. Bobbing up and down in that position three or four times, she pulled it out and a huge drop of lady cum spilled out onto the ground. We gathered ourselves up and headed back to my place to do the wild thing. Since then, she has become quite a happy fucker after that. Let me tell you guys, if your woman doesn't have a vibe, I suggest you get her one, now!

– Corey, L.A.

Resourceful

In a couple weeks I'm starting a new job. Before doing so, I had to do a drug test listen to some sexual harassment seminars and was given a handbook of company policies in the HR meeting. At this meeting was this hot chocolate babe with curly hair called Rolanna. She was the Marketing Department's rep

Get one. NOW!

My girlfriend loved her little 'pocket rocket' and said she used it all the time we weren't together. I asked why she didn't use it when we were together. She told me that she wanted a bigger one to use with me. So I suggested we ride over to the head shop where they sell sex toys too. She readily agreed. She wanted an eight or nine-inch realistic-looking vibrating dildo with variable speeds and a suction cup on the bottom. I was a little surprised by her very detailed description but let it go. We bought a really bright purple one with lotsa nobs and ridges.

In the car, she took it out and put in the batteries. Turning it on, she looked at it and smiled at the shriek and quickly pulled away from it with her hips. Then she pushed it harder onto herself. She stopped and turned it off, telling me we can go to the park since it was just a mile or so from where we were. When we got there, she took no time pulling her shorts and panties off. She sat on a park bench and started rubbing it on her wet slit. As she rubbed up and down, she would put it in slowly at first. Then she started picking up speed.

I couldn't stand it any lon-

ger. I pulled my shorts off and joined in on the fun. I sat next to her and she stroked me with her other hand. She didn't have to pull on it very long, watching her fuck that toy and scooting closer to the edge of the chair. Her legs were opening themselves wider and she was pushing it in deeper. I came and shot a load five feet in front of me. Seeing that, she almost laughed. Her laugh turned into a long sigh and her nipples hardened up like two pencil erasers under her tee shirt.

As I looked at her, I noticed how hard her nipples had become. They were sticking out so far I could have hung my jacket on them.

for HR. After the meeting ended, she told me there were a couple more things that needed to be gone over before I start, and I told her I would stay. The other three left and it was just the two of us. She sat at the head of the table and motioned me to the corner chair next to her.

During the conversation, I felt a pushing between my legs from Rolanna's direction. As I looked at her, I noticed how hard her nipples had become. They were sticking out so far I could have hung my jacket on them. I thought, 'she couldn't have been wearing a bra.' Looking deep in to my eyes she mouthed "I want you. Jax, I'm feeling so horny today." I couldn't believe my ears. She pinched the inside of my thigh as she told me so I said to her, without even thinking: "Do you like being teased?" to which she answered, surprise, "Yes." Then I said, "Let's go."

We decided to walk to her house which was only fifteen minutes away. It presented plenty of opportunities to tease Rolanna as the route ran along a canal and is always very quiet.

As we walked, she suddenly grabbed my cock and tried to undo my pants. I said 'No' just feel

me through the pants. But I did return the favor by grabbing her in the same place while I gave her a deep kiss. After a moment or two, we stopped and continued walking along the canal. Further along, as we passed the first lock, I stopped and pushed her against a wall. Kneeling down I undid her skirt, pushing her panties to one side. I gave her pussy a good exploration with my tongue, just tonguing her labia and clit.

I did this for a minute before suddenly stopping and buttoning her skirt back up. As we got further up the path she wanted to touch my cock again so only let her touch me through my pants. As she massaged my cock, it started to get hard. After a couple moments, I gently removed her hand as we continued walking on to her place. Further along the path we passed a bench so I sat down and she sat between my legs. I put my arms around her and gave her a squeeze I moved one hand down between her legs and underneath her panties and gave her a pussy a rub.

By this point she was very wet so I slid in two fingers curling them round and finding her g-spot. As I did this, a couple passed us, the guy gave me a knowing

nod as Rolanna blushed. She then grabbed my hand and we continued up the path. As we got towards the end I couldn't resist stopping again, pushing her up against the wall again I gave each of her firm hard breasts a suck and lick before we got to her place. By the time we were in the door, I let her get I proper feel of my cock.

We were both so horny we jumped on each other the moment the door closed behind us. We didn't even wait to get to the bed, we were on each other like an attacking lion. I got my pants and boxers down and she got her skirt down and I had to enter her by parting her panties. I deposited my full load in her after only a few thrusts of my cock. We just lay there on the hall carpet moaning with me still inside her

until my erection subsided. Leading me by the hand, she led me to my bed. Laying her down, I stripped her clothes off followed by undressing myself.

Parting her legs in a moment of pure experimentation I started to lick her cum filled pussy as she moaned with pleasure. She then squeezed my man juice out as it dribbled out which she licked clean swallowing everything I gave her. After a good ten minutes, Rolanna came. Then she rolled me over and gave me the best blowjob I have ever had. We both needed a rest, some food, and drinks.

After we rested, we went on to make love another three times, each time I lasted longer, with the last time about thirty minutes. She was quite adventur-

I directed my left nipple down into his mouth, his lips grabbed it and began to suck, the nipple growing and hardening.

ous and suggested positions I had only imagined. She even let me spend the night with her. We had morning sex, and a bj too, which I have never had before. I also gave her good morning oral, which was so sexy. I've never had so much sex in one day before, especially with someone I had only just met. We see each other at work occasionally and are pleasant to each other. It's just when we are out of the office do we become sexual animals!

– Michael, San Antonio

Neighborly lust

I looked up to see the guy from across the street standing over me, blocking the sun I was trying to get for my tan. Sitting

up and fixing my skimpy bathing suit, which had come loose revealing the light brown skin under my top, almost to the nipples, I looked at Gregg and said, "You startled me." Lifting my arms behind my neck to retie the strings my breasts jutted forward, straining at the thin top.

"Sorry Rachel, it's just that my dog ran your driveway and I was chasing after him," he said. "And did you catch him? Here, in my backyard?" I asked. "There he is."

said Gregg. I looked to see his dog pawing at my screened porch door. He was after my cat who was growling and arching her back. We both went over to calm our animals down.

"Maybe you better step inside." I opened the door as he held his

dog back. "Come in and sit down." I said. Sitting across from him I stared into his eyes but he couldn't help sneaking peeks at my long bare legs. "I bet you want to

see me naked, don't you?" He nodded as he looked at me intently fingering the towel where it tucked in between my 19-year-old boobs.

I rose to stand in front of him and he didn't make a move as the towel fell to the ground. He just gasped, and I stood before him. I took his hand in mine and placed it on my breast and he began to feel it slowly. Standing in front and putting a hand on either of his knees and leaning forward my boobs were inches from his face. He took one in each hand and moaned. Turning slightly I directed my left nipple down into his mouth, his lips grabbed it and began to suck, the nipple growing and hardening. I fed him my right breast then, which Gregg licked and sucked with fever, back and forth he went from one to the other.

Deftly unzipping his fly I reached inside to grasp his rock hard cock and pulled it out. He kept a hand on each breast as I dropped to my knees between his and bent my head forward taking the swollen head in my lips. With my right hand stroking his shaft, I played my tongue up and down his cock. Soon I took the whole thing into my throat, head bobbing, his cock slurping in my mouth as I greedily sucked and

licked his throbbing tool. I began to grind my hips into his shin, humping as I continued sucking him off while his strong young hands gripped my boobs. I released his quivering prick to lap at his balls. The salty taste of his heavy balls excited my tongue as I widened my jaws around his swollen testicles.

Putting my nose under his scrotum, I stuck my pointed tongue deep into his pink, tight asshole and his body began to convulse and shake. Opening my mouth wide I plunged his dick deep into my throat, almost gagging and choking as he began to cum, hips bouncing, moaning. His thick, creamy sperm spurted again and again in a huge white stream filling my mouth and throat until the overflow seeped between my lips, spilling into his crotch. I swallowed again and again as the sticky cum flowed, squeezing his slippery leg with my dripping cunt. He held my swollen breasts firmly as my body began to buck and shake as waves of orgasm flooded my groin. With my mouth filled with his cock, I slowly relaxed in the after-glow, licking my lips and his prick, tasting him. Then we heard his dog scratching at the door.

– Roberto, Miami

You have to love a girl that shows up with two pierced nipple, a pierced tongue, pierced lip and some sexy studs in her ears. You know she's ready for sex and she's got to give it all she's got. That's Edean and she came to the set all pierced up and smelling like a floral garden. When the action started she was more like a wasp than a honey bee.

EDEAN HER PUSSY IS LIKE A GARDEN

Well, we weren't disappointed when Edean got down to it. She sucked cock like a woman possessed and then took the big dick into her tight pussy hole and massaged it until the lucky stud came all over her. Then they did it again as she licked him clean and pulled his cock back into her pussy. We had a hard time keeping up with all the action.

HAVANA

I'M YOUR
BEAUTIFUL
BACKDOOR
BABE

My body was built for sex. Every part of it tingles with the pleasurable sensations of lusty love-making. My boobs are full, just the way you like them. My pussy is shaved smooth and dripping wet for your tongue, and my ass is tight and waits for you to open it. If this is you then you can turn the page for more of me.

Don't you wish it could be your cock deep in my ass. I'd tighten my sphincter around your shaft and hold it in me. Then you'd pump your cock in and out of me bringing us both to a high and mighty climax. If that doesn't make you hot and horny, then nothing will.

QUEEN DIVA FUCK YOU BOTH

I did a three way once before with my boyfriend and his best friend and it wasn't as much fun as I thought it would be. It's not that the sex was bad, no it was great, and I got both guys off, but afterwards my boyfriend started regretting it and getting jealous. That's not how I wanted it to end.

Fucking these two guys was nothing like the three-way with my boyfriend. These two took time with me. They let me set the pace. They didn't get jealous when one guy's dick was in my mouth or pussy for a longer time. And they had fucking huge cocks!!! I'm a petite girl and they really filled me up. And one other thing. I did a d.p. That's something my boyfriend and his friend just couldn't get together to do. Imagine that!

three meant to be

**I had never done a three-way of any kind,
until now**

It was a Tuesday evening and tonight I'm meeting a couple at a hotel in their town. I traveled there to meet them and was extremely nervous about it. I am new to the lifestyle and especially have never done any kind of threesome. When they arrived, we walked through the lobby and talked for awhile and made sure there was a comfort zone for both parties. Since we did get along so well we decided to go up to their room. But first we had a bite to eat and a few drinks and talked for awhile to try and ease the tension. This hotel specialized in having waterbeds as a specialty and they had reserved a room with one. We were talking about the waterbed and was invited to go lay on it since I have never been on one.

I laid down on it as Cherise got down and laid on the bed, too. A few minutes later her hubby Anton came into the bedroom from the bathroom and laid on the bed on the other side of her. As we lay there talking, Anton started to play around with Cherise as I lay there and watched. A few minutes later Anton took Cherise's shirt and panties off. Anton and I still had our clothes on and decided that was too

much clothing. So we both stripped down to nothing and lay on the bed beside Cherise. We were laying there rubbing her breasts, and both of us took a breast into our mouths and started sucking and playing with them. Anton continued to suck and ran his hand down her body to her pussy and started rubbing her clit and playing with it while he sucked her breast. He decided to change positions and he got down between her legs and started licking and sucking her pussy, paying very close attention to her clit. I was up top looking at her as her breathing started to intensify.

I gently took her face into my hands and caressed her cheeks as I touched my lips to hers. Her breathing began to get stronger as Anton continued to stroke her pussy and clit with his tongue. As I lay my lips close to hers and ran my tongue around her lips, her breathing got heavier as if there were no turning back, she could feel the orgasm building up inside and I could see it in her eyes as I kissed her. She opened her eyes at the time her orgasm started to erupt and in my deep kiss she erupted, her body shaking in relief as I gently caressed her face and kissed her lips, while

The faster I rubbed her, the faster she was sucking on Anton's cock going deeper into her throat and slurping his pre-cum as she sucked.

Anton continued licking and sucking on her swollen clit and sloppy wet pussy.

After a few minutes, Anton had moved up beside her as was I. She took both of our cocks into each hand and gently began stroking us until our cocks were erect. I began to run my hand down her body and along her thigh until I felt the warmth and wetness of her inner thigh and around her pussy lips. Cherise took Anton's cock into her mouth as I played and stroked her pussy. My fingers getting wetter by the minute, I began by inserting one finger and then two as I slid them in and out of her. Her clit was swollen and ready for more. Anton was on his knees by now and she was sucking on him, running her tongue up and down his seven inch cock, going faster and faster as my finger rubbed her clit and I buried my fingers deep inside of her. I stroked her clit faster and faster as I could see another orgasm building. The faster I rubbed her, the faster she was sucking on Anton's cock going deeper into her throat and slurping his pre-cum as she sucked. My licking drove her to another climax and it came with an explosive burst of pussy juices and covered my hand, her body trembling and shaking as she lay there with Anton's cock in her hand.

Cherise turned around and positioned her head over the top of my cock and slid my cock deep inside her mouth sucking and stoking it. Anton had moved down and was stroking and playing with her pussy and fingered her which made her moan. Anton was stroking her and sliding his fingers inside of her which made her suck and slurp faster on my cock, sucking my pre-

cum out with her lips wrapped around my cock. Holding my hard cock in one hand, she would run her lips and tongue the length of it and gently lick my balls as she got to the bottom. I could tell Anton was about to

bring her to another orgasm by the way she was sucking my cock.

Anton was rubbing and fingering her pussy with intensity now and she was finding it very hard to stay still, her body was moving very rapidly with every stroke of his hand, her body shaking with anticipation of the orgasm coming. I see the pleasure of the orgasm come to her face as she holds on to my cock and she erupts on Anton's hands and falls flat on her stomach with great relief. She releases my cock and falls down on herself taking a moment to relax and gather herself.

Before I knew it, Anton's cock was in her mouth and she was sucking away while she lay on her stomach. My hands began to rub her back and down to her ass and spread her legs apart so I could have access to her now very wet pussy.

I always wondered what it would be like to be with a

I got behind her at that point and stuck the head of my cock on the lips of her pussy and eagerly awaited to feel the pleasure I knew would be coming.

woman that could have multiple orgasms and now I know. I began to rub and finger her pussy very easily because she was so wet. I would slide one finger inside of her getting faster and faster until the point of orgasm and then I would stop and I would make my fingers and hand be almost like a human vibrator. The whole time I'm doing that she still has cock in her

swollen and longed for a cock inside of her. Her juices were flowing endlessly and she could not hold back any orgasms that may come.

Anton pumped his cock deeper and deeper inside of her and her moans were to the point that her mouth vibrated my cock as it slid in and out of her mouth.

mouth. I did that several times with my fingers until her orgasms were so close that I couldn't tell where one ended and the next one started. They all just seemed to run together. Cherise tried so hard to get up on her knees but she was so limp from all the climaxes that she couldn't do it. By this time Anton and I had decided it was our turn to have a little eruption of our own.

Anton had gotten up and moved around to the end of the bed and Cherise had finally made it up onto her knees and slid down to the end of the bed where Anton put her into a doggie-style position. Meanwhile, I got in front of Cherise where I was laying back on the bed so she could suck on me while Anton was fucking her from behind. Cherise started sucking and licking my cock as Anton started sliding his cock inside of her. Her moans were getting louder by now, her pussy was

The excitement was too much to bear as Anton shot his load inside of her as her orgasm came at the same time. I got up and Anton lay on the bed in front of her as I got ready for my turn to enter her from behind. She eagerly took Anton's cum soaked cock into her mouth and sucked furiously not to lose a drop. I got behind her at that point and stuck the head of my cock on the lips of her pussy and eagerly awaited to feel the pleasure I knew would be coming. I pushed it all the way in and pumped it hard, and then even harder. She moaned even more and that excited me. What a great feeling it was as her juices flowed freely and her pussy sucked my cock inside her.

My hands held on to her hips as I slid in and out of her now dripping wet pussy pumping harder and faster. The intensity was too great and as I was getting ready to cum, I felt her orgasm building one more time. I went back and with one strong shove up inside of her, I blew my load deep inside her and her orgasm was rushing to meet mine. At that point I was frozen in time. My cum rushing to meet hers and her sucking on Anton made it all so surreal, so very good. We all collapsed right there on the bed together. It was fantastic. If anyone was ever thinking about having a threesome like this one, do it, it was great.

The three of us have met at the hotel another time or two or three or four, and it's been wonderful each time. I always thought it would be awkward fucking a girl with another guy, but we got it down and Cherise is very appreciative.

REGINA

HUNGRY FOR SEX TONIGHT

When I left Detroit a few years ago, The economy was bad and the guys were trying to find work or worked long hours if they had work. I had only been with a couple guys throughout my entire life. So I move to the West Coast and now I call it the "Wet Coast" because my pussy is constantly wet. There are so many guys out here with nothing but time on their hands and always ready to fuck. I think I like the West Coast better.

After I moved out to the Left Coast, I discovered that I found women attractive, too. In Detroit, we were always bundled up or dressed all prim and proper. Out here, there is flesh on parade every day and I saw more skin on women than I did in my entire lifetime before. I finally decided to taste pussy and it was fuckin' awesome. For a few months I gave up cock for pussy, then I realized I could have either one anytime I wanted to.

IT DOESN'T GET ANY SEXIER THAN MONIQUE

When I decide to bed a guy, it's going to be an experience he won't forget. I have a large mouth, and a small pussy, and a really tight ass, and I know how to use them all. Sometimes it's to get my way. Sometimes it's to please the guy. And sometimes it's just to make me some honey.
